DECLARATION

I, Kenneth P. Glynn, of full age, do hereby declare:

1. I am the attorney of record who wrote the above identified patent application. I did so on my personal computer and printed it out myself on August 17, 2000.

2. Upon printing of the aforesaid patent application, I personally proof read the printout and read among others, page

44. I clearly recall this as I re-read the claims after printout a couple of times.

3. I then had my secretary make multiple copies and stood by while each page was counted and checked. This is standard procedure to avoid missing pages when copying.

4. The sets were laid out and the Patent Office copy was stapled and then packaged for mailing. This was done in my presence and I am, therefore, certain that page 44 was included and that it must have been accidentally removed during Patent Office processing.

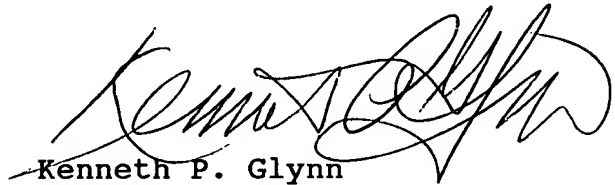

5. I further declare that the attached page 44 is a true and exact copy of page 44 as originally submitted.

6. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that the statements were made with the knowledge that willful false

statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

November 21, 2000

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Kenneth P. Glynn", written over a horizontal line.
